

# 75th CCC Anniversary Commemoration Invitation

## The Black Hills Chapter # 177 of CCC Legacy

Invites You to the 75th CCC Anniversary Commemoration

Honoring the Men Who Served

September 20, 2008—9:30 am

Dedication Program of the

South Dakota CCC Workers Statue

Followed by a Tour of

The South Dakota Civilian Conservation Corps Museum

The museum is created to honor the men who served in the Cs. Exhibits in the museum will explain the CCC program and the enrollees' stories through photographs, stories and personal items, while extolling South Dakota's legacy left by these hard working young men. A searchable database of enrollees and their camps will be available, thanks to a grant from the Mary Chilton Chapter of the DAR. The museum displays are in the early stages after receiving a Deadwood, SD Historical Grant in August 2008.
